

The best tools for your school. The best options for your budget.

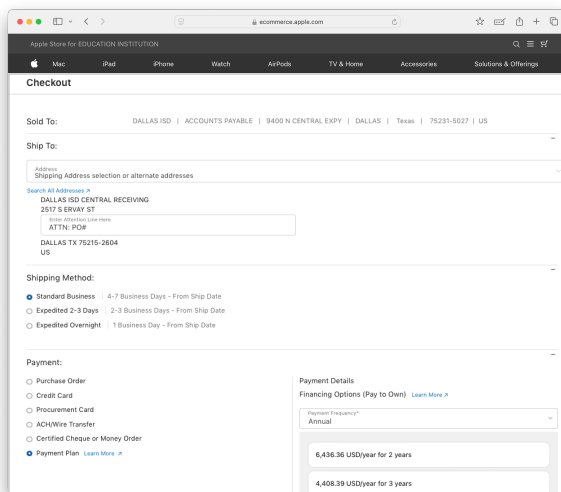

Financing as low as 0% now available.

Apple is dedicated to providing your learning community with the best devices. With low-rate payment plans, Apple helps your school to budget for technology with consistent, ongoing payments and simple terms.

Choose from **0%** for 12 monthly payments, **3.99%** for 3 annual payments or **4.99%** for 4 annual payments.

Build a predictable plan for the future.

Frozen or insufficient funding may prevent getting students and teachers the right tools for learning. Paying cash for technology can create future uncertainty. Annual Payments help create a sustainable plan for today and tomorrow.
